

15 years helping small businesses innovate and grow internationally

Your needs are changing. So are we!

We guide companies towards more **sustainable** business models

We build up business agility and **resilience** to challenges, such as supply chain disruptions

We tailor **digital solutions** to businesses' needs

We enable businesses to reap the opportunities of the **EU Single Market**

We ensure businesses are **investor ready** and able to access the right sources of finance

We bring **innovative** ideas to commercial success

We introduce companies to the right **business partners**

We help companies access international markets **beyond Europe**

Small and medium sized enterprises get **free support** from more than 450 Network Partners in over 40 countries worldwide.

Thanks to our expertise, **EVERY SINGLE DAY**

835
